- Your email address

Special and/or sensitive personal data processed by us

Our website and/or service is not intended to collect data about website visitors who are younger than 16 years. Unless they have the permission of their parents or guardian. However, we cannot check whether a visitor is older than 16. We encourage parents to be involved in the online activities of their children, in order to prevent data about children being collected without parental consent. If you believe that we have collected personal data about a minor without this permission, please contact us via info@greenmax.eu, and we will delete this information.

For what purpose and on what basis do we process personal data

GreenMax B.V. processes your personal data for the following purposes:

- To settle your payment
- To be able to phone or email you if this is necessary for the provision of our services
- To deliver goods and/or services to you

How long do we retain personal data

GreenMax B.V. does not retain your personal data longer than is strictly necessary to achieve the purposes for which your data are collected.

Sharing personal data with third parties

GreenMax B.V. only provides personal data to third parties if this is necessary for the execution of our agreement with you or to comply with a statutory obligation.

Cookies used by us

GreenMax B.V. uses an analytical cookie on this website that measures the website visit for statistical purposes in order to continually improve the website. A cookie is a simple small file that is sent along with pages from this website and stored by your browser on the hard drive of your computer. Via our website a cookie* is placed from the American company Google, as part of the "Analytics" service.

We use this service to track and get reports on how visitors use the website. Google may provide this information to third parties if Google is legally obliged to do so, or if third parties process the information on behalf of Google. We have no control over this. The information that Google collects is anonymized as much as possible. Your IP address is emphatically not given.
